# INTRODUCING THE NEW MINI COUNTRYMAN.

Hop in the new MINI Countryman and head out into the world. Adventure is waiting – and closer than you think. Every road marks the beginning of a new chapter, full of moments you'll cherish forever, in a story that you'll never want to end. Just under 4.3 metres long, it is a versatile Sport Activity Vehicle with ample room for 5 people, luggage and all those memories you pick up on the way. It's ideal for longer journeys, and with optional ALL4 all-wheel-drive and the ever-present go-kart feeling, even treks to far-flung destinations will be a breeze.

Welcome the new MINI Countryman.

ON THE ROAD AGAIN.

# DISCOVER NEW HORIZONS.

A large choice of light alloy rim designs, equipment variants and a range of packages provide plenty of options to play with. Whether you're looking for something robust, stylish or dynamic – a choice of petrol, diesel or plug-in hybrid\* engine types ensures there's a new MINI Countryman for every adventure.

- 1 19" MINI Yours Masterpiece, burnished
- 2 19" Edged Spoke, silver
- 3 19" John Cooper Works Course Spoke, two-tone\*\*

- 4 18" Pair Spoke, silver
- 5 18" Pin Spoke, silver (also available in black)

- 6 18" John Cooper Works Thrill Spoke, burnished black\*\*\* (also available in burnished Anthracite\*\*)

# MORE SPACE. NO COMPROMISES.

You're not short of options when it comes to loading up the new MINI Countryman: the load-compartment floor folds away, the rear backrests fold down in a 40 / 20 / 40 split and the sliding rear seat bench splits in a 40 / 60 arrangement. You also get handy features like the Easy Opener function (which allows you to open the electric tailgate with a kicking motion under the bumper) and a cushioned picnic bench stored beneath the loading shelf.

Luggage area, width x height x depth:  
859 x 718 x 813 mm  
Through-loading depth with rear  
seats folded down: 1595 mm

For more information on the exterior colour options available for each model, contact your MINI Retailer or visit [mini.co.uk/configurator](http://mini.co.uk/configurator)

# FIND YOUR COUNTRYMAN.

Get your first look at all the ways in which you can personalise your new MINI Countryman. Let's start with the essentials: the engine room. You can choose from 2 turbocharged petrol and 2 turbocharged diesel engines, or go for a cutting-edge plug-in hybrid with 6-speed Steptronic transmission and electronic ALL4 all-wheel-drive. All engines use the powerful and efficient MINI Twin Power Turbo technology.

3 of the engine variants – 2 petrol, 1 diesel – are fitted with a 6-speed manual gearbox as standard. 6-speed Steptronic transmission is available upon request for Cooper, while an 8-speed Steptronic gearbox is an option for ALL4 models as well as Cooper D and Cooper S variants (fitted as standard on Cooper SD/ALL4). Intelligent ALL4 all-wheel-drive system in Cooper/D and Cooper S/SD models (available as optional) – as well as John Cooper Works models (standard) – ensures optimum traction on all road surfaces.

For more information about the new John Cooper Works Countryman model, please refer to the technical data section on page 36-37 or check the new MINI John Cooper Works Countryman flyer.

## COOPER.

A 1.5-l 3-cylinder petrol engine (136 hp/110 kW) and a 2.0-l 4-cylinder diesel version (150 hp/110 kW) offer a handy blend of power and economy. A classic MINI contrast colour is available at no extra cost for the roof and exterior mirror caps. The exhaust tailpipe comes with a Chrome trim. Bonnet stripes are optionally available.

## COOPER S.

Better, faster, stronger: With a 2.0-l 4-cylinder petrol engine (192 hp/141 kW) or a 2.0-l 4-cylinder diesel unit (190 hp/140 kW), the Cooper S packs the biggest punch. Hallmarks include the red S at the rear, side scuttles, the radiator grille with honeycomb structure and Chrome border and the twin Chrome-plated exhaust tailpipes (right and left).

## COOPER S E ALL4.

The new MINI Countryman Plug-in Hybrid features a clever combination: A 3-cylinder petrol engine (136 hp/100 kW) at the front with an 88-hp/65-kW e-motor at the rear axle. Instantly recognisable via the yellow MINI Plug-in Hybrid logo on the side scuttles and at the rear. Charging port at left side scuttle. Yellow Cooper “S” badge on the front grille and tailgate. Single Chrome-plated tailpipe at rear apron on the left-hand side.

# THE NEW MINI JOHN COOPER WORKS COUNTRYMAN.

JOHN COOPER  
WORKS

Outstanding engineering meets off-road adventure. The new MINI John Cooper Works Countryman boasts 231 hp (170 kW), 350 Nm of torque, and manual and automatic ALL4 four-wheel-drive. These catapult it from 0 to 62 mph in 6.5 seconds. The standard John Cooper Works aerodynamic kit, including a roof spoiler and distinctively stylish rear diffuser, makes a big impact on its looks and performance.

CO <sub>2</sub> emissions (g/km)	130	143	118	132	-	-	-	-	-

<sup>1</sup> All MINI models comply with the EU6 exhaust emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle (as defined in directive 80/1268/EEC), made up of approximately one third urban and two thirds extra-urban driving (based on the distance covered). CO<sub>2</sub> emissions are measured separately from fuel consumption. Figures relate to standard-specification vehicles, and may vary significantly where optional equipment (including wider tyres) is fitted. Figures for fuel consumption and CO<sub>2</sub> emissions may vary depending on the wheels and tyres fitted. Figures are obtained in a standardised test cycle. They are intended for comparisons between vehicles and may not be representative of what a user achieves under usual driving conditions.

## THE NEW MINI COUNTRYMAN

John Cooper Works Dinamica/leather sport seats

18" John Cooper Works Thrill Spoke alloy wheels  
(included in John Cooper Works Chili Pack)

John Cooper Works sport leather steering wheel  
(included in John Cooper Works Chili Pack)

**MINI Select Representative example: the new MINI Cooper S Countryman with optional extras of Chili Red paint, roof and mirror caps in black, John Cooper Works Dinamica/leather sport seats, John Cooper Works Chili Pack (including 18" John Cooper Works Thrill Spoke alloy wheels) and MINI tlc service cover.**

Term of agreement	48 months	Optional final payment <sup>^</sup>	£12,308.68
47 monthly payments of	£399.00	Total amount payable	£35,554.06
On the road cash price*	£31,064.00	Total amount of credit	£26,572.62
Total deposit	£4,491.38	Rate of interest	5.9% Fixed
Option to purchase fee <sup>^</sup>	£1.00	Representative APR	5.9%

Official fuel economy figures for the new MINI Countryman range: Urban 30.1–58.9mpg (4.8–9.4l/100km). Extra Urban 45.6–70.6mpg (4.0–6.2l/100km). Combined 38.2–65.7mpg (4.3–7.4l/100km). CO<sub>2</sub> Emissions 113–169g/km. Figures are obtained in a standardised test cycle. They are intended for comparisons between vehicles and may not be representative of what a user achieves under usual driving conditions.

MINI UK, a trading name of BMW (UK) Limited, is a credit broker and not a lender.

Finance example is for a MINI Select agreement for a new MINI Cooper S Countryman with optional extras of Chili Red paint, roof and mirror caps in black, John Cooper Works Dinamica/leather sport seats, John Cooper Works Chili Pack and MINI tlc service cover (up to 36,000 miles or the length of your agreement, whichever comes first), with a contract mileage of 40,000 miles and excess mileage charge of 6.31p per mile. Applies for new vehicles ordered between 4 January and 31 March 2017 and registered by 30 June 2017, (subject to availability) at participating MINI Retailers. Retail customers only. \*On the road cash price is based on manufacturer's recommended retail price and includes 3 year MINI Retailer Warranty, MINI Emergency Service, 12 months' road fund licence, vehicle first registration fee, delivery, number plates and VAT. <sup>^</sup>Optional final payment and option to purchase fee not payable if you opt to return the vehicle at the end of the agreement (vehicle condition, excess mileage and other charges may be payable). Finance available subject to credit acceptance to UK residents aged 18 or over. Guarantees and indemnities may be required. Terms and conditions apply. Offer may be varied, withdrawn or extended at any time. 'MINI Select' is a form of hire-purchase agreement provided by MINI Financial Services, Summit ONE, Summit Avenue, Farnborough, Hampshire GU14 0FB. You will have a 14 day statutory right to withdraw from the agreement. MINI UK introduces customers to MINI Financial Services only.

The new MINI Cooper S Countryman with optional extras of Chili Red paint, roof and mirror caps in black, John Cooper Works Dinamica/leather sport seats, John Cooper Works Chili Pack (including 18" John Cooper Works Thrill Spoke alloy wheels) and MINI tlc service cover.

# THE NEW MINI COUNTRYMAN PLUG-IN HYBRID.

MINI ELECTRIC

# RUGGEDLY ECO-FRIENDLY.

The new MINI Countryman Plug-in Hybrid combines an electric motor and battery with a conventional petrol engine to offer drivers the best of both worlds. For short trips and inner-city driving, it glides silently and emission-free up to 26.1 miles\* on battery power. Any 230-volt power supply fully charges the battery in 195 minutes at most, using electricity harvested from completely carbon-neutral, regenerative sources.

For longer journeys, motorway stretches and short sprints, the MINI Twin Power Turbo petrol engine takes over and regenerative braking charges the battery. The result is consistently better performance and fuel economy, however varied your driving habits may be.

\* Fuel consumption is determined in accordance with the ECE driving cycle (as defined in directive 80/1268/EEC), made up of approximately one third urban and two thirds extra-urban driving (based on the distance covered). CO<sub>2</sub> emissions are measured separately from fuel consumption. Figures relate to standard-specification vehicles, and may vary significantly where optional equipment (including wider tyres) is fitted. Figures for fuel consumption and CO<sub>2</sub> emissions may vary depending on the wheels and tyres fitted. Figures are obtained in a standardised test cycle using a combination of battery power and petrol fuel after the battery had been fully charged. They are intended for comparisons between vehicles and may not be representative of what a user achieves under usual driving conditions. The new MINI Countryman Plug-in Hybrid is a plug-in hybrid electric vehicle that requires mains electricity for charging.

The Centre Instrument screen provides a clear view of the flow of energy in the hybrid system, as well as feedbacks on how to conserve energy when driving. The e-Drive toggle allows you to switch between 3 driving modes to suit different driving situations: Auto eDrive, Max eDrive or Save Battery. The E-Instrument, which replaces the rev counter to the left of the tachometer, shows the status of the electric motor's boost function as well as battery energy recovery. The combi display includes the battery charge level and remaining charge time as well as the remaining range. Last but not least, the yellow Start button with illuminated trim is exclusive to the Plug-in Hybrid.

Sustainability has never been this stylish. The interior pictured above includes Cross Punch leather sport seats in Carbon Black, Carbon Black colour line and Piano Black illuminated interior style from the MINI Yours customisation programme. Come nightfall, the backlit cockpit decorative trim finishers add an atmospheric glow to the interior.

# THE BALANCE OF POWER.

The plug-in hybrid system automatically finds the most efficient distribution of power from the two drivetrains. A potent 136-hp/100-kW MINI Twin Power Turbo petrol engine (1) with 6-speed Steptronic transmission (2) powers the front wheels. The 88-hp/65-kW e-motor (3) directs power as required – or if desired – to the rear axle, using electricity stored in a high-voltage battery (4). As a result, the car has electric, ALL4 all-wheel-drive system. Thanks to intelligent engine management, the transition between the two powertrains is hardly noticeable.

ENGINE <sup>1,2</sup>		AUTOMATIC
Cylinders/layout/valves per cylinder		3/ in-line/ 4
Capacity	cm <sup>3</sup>	1499
Power output/engine speed	hp/kW/rpm	136/100/4400 – 6000
Max. torque/revs	Nm/rpm	220/1250 – 4300

eDrive		
Max. output	hp/kW	88/65
Peak torque	Nm	165
Battery type/Net battery type	kWh	Li-Ion/6.1
Charging time <sup>3</sup> (using household socket)	h	3.15
Electric range (NEDC) <sup>4</sup>	miles/km	26.1/42
Electric top speed	mph/km/h	77.7/125

SYSTEM OUTPUT		
System output	hp/kW	224/165
System torque	Nm	385

FUEL CONSUMPTION <sup>1,2</sup>		AUTOMATIC
Combined	mpg/l/100 km	134.5/2.1
CO <sub>2</sub> emissions (combined cycle)	g/km	49

<sup>1</sup> All figures relate to vehicles with 6-speed Steptronic transmission.

<sup>2</sup> All MINI models comply with the EU6 exhaust emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle (as defined in directive 80/1268/EEC), made up of approximately one third urban and two thirds extra-urban driving (based on the distance covered). CO<sub>2</sub> emissions are measured separately from fuel consumption. Figures relate to standard-specification vehicles, and may vary significantly where optional equipment (including wider tyres) is fitted. Figures for fuel consumption and CO<sub>2</sub> emissions may vary depending on the wheels and tyres fitted. Figures are obtained in a standardised test cycle using a combination of battery power and petrol fuel after the battery had been fully charged. They are intended for comparisons between vehicles and may not be representative of what a user achieves under usual driving conditions. The new MINI Countryman Plug-in Hybrid is a plug-in hybrid electric vehicle that requires mains electricity for charging.

<sup>3</sup> Depending on electrical grid used. Charging time corresponds to a 100% charge.

<sup>4</sup> Range and energy consumption may vary due to factors such as driving style, road conditions, external temperature, heating and air conditioning, and preconditioning.

# WIDE OPEN SPACES AWAIT.

Short bursts of acceleration and the classic go-kart feeling – the Plug-in Hybrid has everything you need to make every trip a low-emission adventure. Numerous yellow design elements make it easy to recognise, like the “S” in the Cooper S logos on the radiator grille and tailgate, and the E-logo on the bumper and side scuttles.

The charging socket is located behind the left side scuttle. Open up the electric tailgate and you can divide up the storage space in all sorts of ways, thanks to rear-seat backrests which fold down in a 40/20/40 split. If you fancy a mid-journey break, just pull out the padded picnic bench from beneath the loading shelf.

Luggage area, width x height x depth:

859 x 718 x 813 mm

Through-loading depth with rear  
seats folded down: 1595 mm

# SENSIBLE REASONS TO CHOOSE A MINI.

Exceptional drive, build quality and an array of striking interior design features – all great reasons to buy a MINI but that’s certainly not the whole story. Here are some other things you might find interesting:

## Lower emissions and lower fuel consumption

Whichever paintwork you go for, your new MINI will always be green. The new TwinPower Turbo engines are incredibly responsive yet economical at the same time. MINIMALISM is our name for a range of engineering advances that ensure lower fuel consumption, and with it, lower CO<sub>2</sub> emissions. These include the Automatic Start/Stop function, which is now available as standard on the new MINI with either manual or optional automatic transmission.

Compare your favourite MINI model against other cars on [mini.co.uk](http://mini.co.uk) to see just how well we perform.

## Servicing

But won't a MINI be expensive to service you ask? Nope. We've made sure of that by offering every new MINI owner comprehensive service cover for the first 3 years (or 36,000 miles whichever is sooner) for a one off payment. We call this MINI tlc. For further information including full pricing, terms and conditions visit [mini.co.uk/aftersales](http://mini.co.uk/aftersales) or contact your retailer.

## Finance that focuses on you

Has a MINI captured your eye? Then let's sit down and work out a tailored finance solution for you.

We offer three different types of finance agreement, as well as the guidance of a finance specialist at your local MINI Centre.

### MINI Select

Having three options at the end of your agreement makes this our most popular finance product, for new or Approved Used MINIs.

### MINI Hire Purchase

The attraction of MINI Hire Purchase is that there are no mileage restrictions. Better still, when you get to the end of your finance agreement, your MINI is all yours.

### MINI Contract Hire

Available for both personal and business users, this is a truly effortless way to get the keys to a MINI.

To find out more visit [offers.mini.co.uk](http://offers.mini.co.uk) or speak to your local MINI Centre.

MINI UK, a trading name of BMW (UK) Limited is a credit broker not a lender.

Finance is subject to status and available to over 18s in the UK only. Guarantees and indemnities may be required. Terms and conditions apply. Finance provided by MINI Financial Services, Summit ONE, Summit Avenue, Farnborough, Hampshire GU14 0FB. MINI UK introduces customers to MINI Financial Services only.

## Genuine MINI Accessories

Genuine MINI Accessories is the only range that is approved by the people that build the MINI. Every item is at one with the design, build and spirit of this uncompromising car. New or Approved Used, there are many ways to make your MINI unique with our innovative equipment and Accessories. Be it exterior styling accessories including decals, alloy wheels, roof rack systems and mirror covers or why not tailor the interior, where the range extends from the rear-view mirror cover and door lock caps to MINI Head-Up Screen and Travel and Comfort systems for rear seat entertainment and storage. Whichever you choose, Genuine MINI Accessories are sure to make your MINI as individual as you. For details of the full range available pick up an Accessory brochure from your local MINI Centre or visit: [mini.co.uk/accessories](http://mini.co.uk/accessories)

## Our retailers

Last but certainly not least, our lovely MINI Centres. Our retailers take a lot of pride in making their showrooms nice places to visit and staffing them with friendly, knowledgeable staff. Our service areas are filled with MINI specialists who know them inside out and are ready to lavish them with care.

Prices shown are those in effect at the time of going to press and may alter periodically subject to product changes. All prices include VAT unless quoted separately.
